

October Jujitsu Clinic

The theme of this year's clinic is Dedication. Either to our families, our country, or to the art of Danzan Ryu Jujitsu, dedication plays a big role in the decisions we make each and every day. The focus of this clinic is the dedication and passion we all have for the art of Danzan Ryu. Whether you have been practicing for 20 years or 20 days, you show that dedication each time you step on the mat. Please join us, our instructors, and our special guest for this three day event.
